Nasiru Hammed A.

Web Developer | Architect

✉ 🐦 in 🐙

I am a positive, enthusiastic and competent Web Developer who, over some months, has built up a diverse range of skills, qualities and attributes that guarantee I will perform highly in this role. I have experience working both alone and as part of a team on often time-sensitive, challenging web development projects that require outstanding creative and technical capabilities and the ability to ensure all work is optimized across a wide range of platforms.
